Chapter IV: Trash Talking HRs?

Below are a select few images of HRs trashing a current Senior, Imag1native. This is very unethical, and you all deserve to see what's said behind the scenes.

(NOTE: "ze nurse" is Bonnie591's nickname in the HR chat)

Avatar
so dont include unless u want to say its a work in progress
and if it was **imag** that asked
then def ignore
sure

 **stacey** 04/03/2021
I feel like if imag got shift
There would be drama like when Emma was here

 **ze nurse** 04/03/2021
sorry but it would ruin it and it may go back to the atmosphere of bman and emma
acel and drizzle
would be perfect, they wouldnt cause drama
i honestly dont want to hire just one of them
id rather do 2 or none! they both deserve it equally
